

Activation of an account in BookitLab

This is valid for External Projects

Please fill out and send this form to bookitlab@uib.no

In order to book services through BookitLab at UiB, the users have to be assigned to a project.

Name project owner	
Email project owner	
Name of organization/company	
Address of organization/company	
Phone number organization/company	
Organization number (applies for Norwegian organizations/companies)	
Email for optional invoicing details	
Is the project academic (bidragsforskning) or commercially funded (oppdragsforskning)?	Commercial funding Academic funding
Ordering number/Reference number *	
Budget limit (NOK) for use in BookitLab (Optional)	
Expiration date	

** It is an advantage that the ordering number can be invoiced several times within the expiration date, e.g. one year ahead. The facilities will invoice the actual usage at the end of each month.*

Information about users who should have access to the project:

User's name (Full name)	User's email	User budget limit (optional)	User end date (optional)
